670109	Lake St. Clair	MI	8						2:30 p.m. Photos by Grant and Dan Jaroslaw, Mt. Clemens, Michigan, four Polaroids depicting a flying saucer. The boys claimed that they observed the saucer pass over low and silently not far from their home. The object remained in view for ten minutes, after which they reported seeing an Air Force helicopter give chase. Dr. Hynek examined the photos and stated in a Detroit News article that there appeared to be no indication of a hoax. Unfortunately, it was. In 1976 the Jaroslaw brothers admitted to perpetrating the prank.
670119	Milan	IN	8						3:00 p.m. A photograph was reportedly taken of a UFO by Reed Thompson, a 15-year-old boy from Milan. The town constable stated that the boy was reliable and said that he had seen the photo himself. (Ridge, APRO & NICAP files)
670124	Yorba Linda	CA	8						5:25 p.m. PST. A 14-year-old boy saw and photographed a metallic-appearing object shaped like a top hat with four legs projecting from the bottom. (Hall, 2001, pp. 286-87, from "The Yorba Linda Photograph" in Flying Saucer Review, Special Issue, Nov. 1967, pp. 26-35.)
670200	Zanesville	OH	8						Ralph Ditter, a Zanesville, Ohio barber took two photographs of this unknown object. Ditter was an amateur astronomer, and avid sky watcher. He made the two photos available to the press. Later found to be a hoax.

670202	Lima	Peru	8							This is the only surviving photo of the funnel-shaped flying object that paced the Fawcett Airlines DC-4 passenger liner in flight from Piura to Lima on February 2, 1967, at 06:30 P.M. One passenger, who insisted on remaining anonymous, succeeded in saving his film from which this single photograph was made.
670208	Newbury	MA	8							2:00 p.m. EST. A commercial photographer and his son saw two silvery cigar-shaped objects that flew in a straight line, then separately zoomed up and away. A photo was taken but shows little. (A. Collis, USNR retired, letter in NICAP files.)
670226	Oxford	MA	8							6:30 p.m. EST. Five people, including a newspaper reporter, saw a bright amber oval which at times turned red. The object alternately hovered and moved at high speed. According to the story, the reporter took a photograph of the object. (Worcester Evening Gazette, 2/27/67, copy in NICAP files.)
670300	Yungay	Peru	8							March 1967; Yungay, Peru
670309	Moline	IL	8							Policeman spotted two UFOs in the afternoon. Police officer William Fisher said he was riding his motorcycle on patrol when he spotted a boxcar-sized object hovering at about 3,000 feet. Fisher took color motion pictures of the objects, one frame of which is displayed at the top of this page. (NICAP & MUFON files)
670309	Plain City	OH	8							8:30 p.m. EST. Two men saw a cigar-shaped object with flashing red, blue, and green body lights. Something was attached to its underside. The object moved slowly, then accelerated and sped away and disappeared to the southeast after 30 minutes. The report said that a Polaroid photo was taken. (Columbus Dispatch, Ohio, 3/10/67, copy NICAP files.)
670316	Montevideo	Uruguay	8							Daytime. Personnel of Antares astronomical observatory saw an oval object with dark colored dome and an open hatch in the middle. Numerous color and black-and-white photographs were reported to have been taken and offered for sale. (El Universal, Caracas, Venezuela, 3/18/67, copy in NICAP files.)
670322	Yungay	Peru	8							5:30 p.m. Hundreds of Yungainos and tourists, were reportedly visited by two UFOs. They flew over the snow covered Huascaran mountains and the city of Yungay-Peru. Photo by: Augusto Arrando.
670327	Picaco Park	NM	8							Photograph. No other information available at this time.
670511	Torrance	CA	8							This picture, although a fairly clear shot, does not have a lot of details. Taken on a Saturday night, a group of pals, Allen, Bobby, Rick, and Danny were hanging out when they saw this object that "glowed reddish-white." One of the boys had a camera, and allegedly took this photo.
670618	Woodsocket	RI	8							The photo actually appears to be from a much earlier time period as it has a strange resemblance to an Adamski ship of the 1950s. Probable hoax.
670627	Wichita	KS	8							Wichita, KS

670703	Calgary, Alberta	CAN	8					Dr. J. Allen Hynek stated: "best daylight disc photograph I have personally investigated. That says it all! Warren Smith and two of his friends were returning from a weekend prospecting trip when they spotted the object. Smith grabbed the camera, and took two photos of the object. Definitely one of the best of the early days.
670718	Rome	Italy	8					10:00 a.m. Drew Wright took this picture. "I had a terrible hangover from all the cheap red wine I had imbibed the night before, my first night in Italy. As I saw the "thing," some local boys were saying "il disco," and pointing skyward. I snapped this quick shot before it vanished. I never made it to the Sixtine Chapel."
671106	Treysa	Germany	8					3:30-5:45 a.m. LT. Five UFOs were reported hovering over Hartdurg area. Two of the UFOs were approximately 15 to 20 feet in diameter and three were approximately eight to ten feet in diameter. All of the UFOs were of a red and white color with a green fringe. Witness photographed the UFOs on color film and submitted the unprocessed film to the Military Police. (NARA-PBB92-607)
