Dec. 8, 1957; Woodward, Oklahoma

5:30 p.m. A disc-shaped UFO with a dome and three "pads" on the underside suddenly came toward a car with three people inside. The car began to die and finally stalled out as the UFO hovered overhead at 200 feet. It was emitting a high-pitched whining sound. The witnesses said it was over 50 feet in diameter. The whine increased in pitch after about two minutes, and the UFO rose vertically out of sight. The headlights came on and the engine of the car started by itself. (CUFOS)
