MEMORANDUM FOR COLONEL KREPS

Subject: Procedure to Insure Prompt Dissemination
of Any Overt Hostile Act by a Foreign Power.

1. The Deputy Secretary of Defense was notified by telephone this date by the Secretary of State of an incident which apparently should have received the attention of the Deputy Secretary prior to Secretary of State. Lacking the information he was forced to make a noncommittal reply and was placed in an embarrassing position thereby. In a similar situation, the incident could be more serious.

2. Will you please check the channels whereby the Deputy Secretary is notified of similar incidents to determine their adequacy and timeliness? This office should have copies of directives concerning channels for emergency messages.

3. Should the above channels not appear adequate, please submit your recommendations as to any changes necessary.
