secondary ones all emitted at once
or at various times. I guess at
once, if they went off in "overhead"
formation. A phone call to the
chief might be good - probably could
pick him up in that emergency
situation.

Which were about right for a
few - some sort of argument?
But with only 1 hour of sleep
I'd be justified in saying
nothing. I'd be a good deal
tired to talk at 12:15
to what he was with it.
