Dear Mr. Todd:

This responds to your June 3, 1978 request for copies of reports of UFO sightings at the Pinecastle Electronic Warfare Range, Florida. Your request was received in this office on June 6, 1978.

Enclosed is a copy of the log entries made at the range relative to the sightings and the message report submitted to Commander in Chief, U. S. Atlantic Fleet by the Commanding Officer, Naval Air Station, Jacksonville, the parent command of the Warfare Range. I certify that both items forwarded are true copies of the original documents. No other records of the sightings have been prepared.

The statements of Clark and Collins were taken verbally by the individual originating the message report of the incident and have not been retained in written form as part of the documentation.

If I may be of further assistance, please do not hesitate to contact me.

Sincerely,

  
N. P. YOUNG  
Public Affairs Officer
