AIR INTELLIGENCE INFORMATION REPORT

SUBJECT
UFOB

DATE OF INFO	DATE REPORTED	SOURCE
23 December 1953	16 December 1953	A-1

PREPARED BY (Name)
Edward O. Wittner, Major, USAF

FROM (Agency)
316th Air Division (Defense)

ACTION (Initial action taken, if any, by agency preparing report, if applicable)
Detachment 2, 737th AC&W Squadron

Primary Report: TWX 12-177

SUMMARY: (Brief precise summary of report. Other significance in final one-sentence paragraph. List enclosures at lower left. Staple top of report on A.F. Form 112—Part II)

1. Unidentified flying objects were observed on radar by personnel of Detachment "2" 737th AC&W Squadron. The return varied in shape from a V shape to W shape to M shape. It faded after several minutes of observation.

2. It is the opinion of electronics personnel in this Division that such a return might have been caused by:

a. Anomalous Propagation

b. Ship-borne radar jamming Detachment "2" radar

c. Geese or storks in flight.

3. Logical deduction is that one of above mentioned possibilities is the cause for this radar return.
