TO: Commander, 4602d Air Intelligence Service Squadron (ADC), Ent Air Force Base, Colorado Springs, Colorado

1. Reference paragraph 4, 3rd indorsement. As this Center is not in receipt of an AF 112, teletype message, standard UFO questionnaire (Form 164) or other UFO reporting media, normally submitted as part of any investigative action, Forms 164 and 332 will be retained for entry in the USAF "Central UFO Files" in repository with this Center. (UNCLASSIFIED)

2. In accordance with established procedures, this is mandatory in order that the central case files physically contain, and reflect, the data upon which the analysis or conclusions were made. (UNCLASSIFIED)

3. Copy of Evaluation Form 329 will be submitted upon completion of analysis or conclusions. (UNCLASSIFIED)

1. Inclosed herewith are ATIC Form 332 and ATIC Form 164 forwarded to your office for further analysis.

2. This organization has assigned a "possible balloon" evaluation to this sighting although certain of the details of the sighting do not conform to this hypothesis.

3. This organization feels that personal interview would only duplicate the information contained in the forms; consequently no field investigation was assigned.

4. Upon completion of your analysis, request the inclosures be returned to this organization for file.
