**10. BRIEF SUMMARY OF SIGHTING**

Object larger than a house, shape of a boomerang, white (voice with no accent told source not to say anything of this). Search and made of landing area. Grass was flattened and bore wagon like tracks (according to source)

**11. COMMENTS**

Anything the size of a house with unusual shape would have resulted in a flood of reports. There were no others from radar or any other source. Report attributed to psychological causes.

(12) OBSERVERS WERE STANDING 50 YARDS FROM OBJECT FOR A PERIOD OF 20 MINUTES, DURING THIS TIME A VOICE WITH NO ACCENT SAID" DO NOT SAY ANYTHING ABOUT THIS". [AFTER THIS OBJECT DEPARTED A SEARCH WAS MADE OF LANDING AREA. GRASS WAS FLATTENED AND BORE WAGON LIKE TRACKS.] ← This implies landing of interplanetary vehicle? Reporting officer sending in two reports of this nature, without effort to investigate the matter locally — should be given a little task. A reflection on his judgment and reliability.
