To whom it may concern,
Today at the warehouse Me and my buddies Mr. [redacted], Mr. [redacted] Mr. [redacted] and Mr. [redacted] saw an unidentified flying object. It went way up in the sky and suddenly dove down and disappeared far beyond me.

Then we saw this dark black thing that looked similar to an airplane. Suddenly it went straight ahead and the end of the tail went straight up.

Finally we saw this object flying with a short tail of smoke following behind. Suddenly the smoke disappeared and then a second after that accurance the object disappeared.

To whom it may be concerned,

Ever since September 9, 1964
at our warehouse we've unidentified
flying objects with little people
inside. I assume that they are
just observing our planet because
they just take grass, and sand
with them. I'd assume might you
better keep track of them. Please
